For example, vocabulary exercises include terms like "tourist attractions," "itinerary," and "local customs," which are pertinent to the theme of travel. Furthermore, the reading passages incorporate authentic materials?short articles, dialogues, or excerpts from travel guides?adding realism and fostering contextual understanding.

Pedagogical Effectiveness

The design of Unit 4 emphasizes scaffolding, gradually increasing in difficulty to build confidence and competence. The activities are balanced between individual tasks, pair work, and group discussions, promoting both autonomous learning and collaborative skills.
