- Were entirely ready to have God remove all these defects of character.
- Humbly asked Him to remove our shortcomings.
- Made a list of all persons we had harmed and became willing to make amends to them all.
- Made direct amends to such people wherever possible, except when to do so would injure them or others.
- Continued to take personal inventory and when we were wrong promptly admitted it.
- Sought through prayer and meditation to improve our conscious contact with God as we understood Him.

Similarly, Mark, a spouse, reports that the program taught him to detach with love, reducing his anxiety and restoring peace in his household.

Challenges and Limitations

While Al-Anon offers valuable support, it's not a substitute for professional therapy or medical intervention. Some members may find that their emotional needs require additional help from counselors or mental health professionals. Moreover, recovery is an ongoing process that varies for each person, requiring patience and commitment.
